

Tudor Spring Book Swap & Drive

It's that time of year again!

From April 9-27th, we are donating our gently used books (in classrooms), and having a Book Swap on Friday, May 4th. where ALL students can pick a "gently used" book.

Please No discarded library books or ripped/torn books.

This year's book drive will support 4 great student chosen causes:

- *Rural Alaska Reads Program (they give books to needy rural Alaska organizations)**
- *A school in California impacted by wildfires**
- *A U.S. school impacted by tropical storms last fall**
- *A new community school in rural Africa in need of supplies.**

This is a class competition; the class that donates the most books will win a party of choice. We also have a donation box in the office to pay for the shipping of these donations.

Thank you for supporting us in our mission to become Global & Green Citizens.
